Euresearch: Your Swiss Guide to European research and innovation

Inform

We provide information on funding schemes and calls, run events and keep you up-to-date.

Advise

We help you find a funding scheme and advise you on how to proceed with your application.

Con-nect

We help you connect with collaborative partners through networking events and partner search tools.

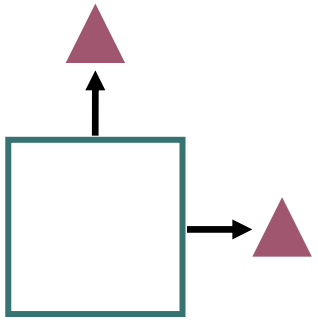
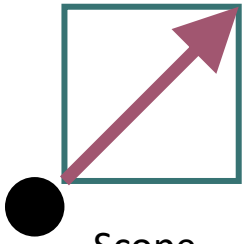
Expected Impacts

Call

Topic 1



Expected Outcome



Scope

Topic 2

<u>Expected Outcomes</u>: what the project has to deliver

<u>Scope</u>: what the project has to address, which activities are asked for

© Euresearch 2022. All rights reserved.

Expected Impacts

1. Creating high-quality new knowledge
2. Strengthening human capital in R&I
3. Fostering diffusion of knowledge and Open Science

Scientific Impact

4. Addressing EU policy priorities & global challenges through R&I
5. Delivering benefits & impact via R&I missions
6. Strengthening the uptake of R&I in society

Societal Impact

7. Generating innovation-based growth
8. Creating more and better jobs
9. Leveraging investments in R&I

Economic Impact

© Euresearch 2022. All rights reserved.

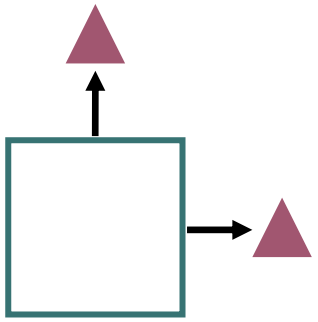
Destination

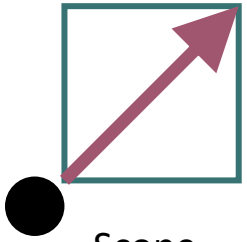
Expected Impacts:

To demonstrate that full potential of cultural heritage, arts and cultural and creative sector as a driver of sustainable innovation

Call

Topic 1





Scope

Expected Outcome:

Evidence of the role of the cultural and creative industries as drivers of innovation in other economic sectors such as industry and services

Contribution to Impacts:

Models of cooperation with cultural and creative industries become common for the development of sustainable innovations in other sectors

Contribution to Outcomes:

Industry networks sustained in the 4 locations beyond the time of the project and adopted in at least 3 other locations

PROJECT RESULTS: 4 creative collaborative geographical areas are identified where the developing of cross-sectoral cultural and creative industry networks can have an impact on tourism or gaming industry.

Other Quick TIPs

STATE OF THE ART

You go **beyond** current innovations and scientific and/or technical quality.

- Existing projects' landscape
- Existing scientific literature
- Patent and other IPRs databases

IPRs & IP MANAGEMENT

Strategically negotiate at the proposal stage!

- *Results accessible to the public*
- *Commercialization potential*
- *Exploitation and IPRs*

GENDER DIMENSION in R&I

How gender dimension relates to the content of the planned research and innovation activities.

- Sex > biological
- Gender > socio-cultural
- Intersectional Factors

Exploitation Obligations

As open as possible as closed as necessary

COMMUNICATION

Informing **society as a whole** about the project and its general contribution

open access

DISSEMINATION

Informing the **scientific community** about the results of the project

open access

EXPLOITATION

Actual **use of the results** (also via third-parties) in further activities also after the end of the project

HORIZON RESULTS PLATFORM
MAKING RESULTS MATTER

© Euresearch 2022. All rights reserved.

Open Science

early and open sharing of research

e.g. through preregistration, registered reports, pre-prints, or crowd-sourcing

OA to research outputs through deposition in trusted repositories

e.g. publications, data, software, models, algorithms, and workflows

research output management including research data management

participation in **open peer-review**

measures to ensure **reproducibility** of research outputs

involving all relevant knowledge actors in the co-creation of R&I agendas and contents

© Euresearch 2022. All rights reserved.

Open Access

MANDATORY: Open Access of peer-reviewed scientific publications relating to their results. Publication fees are **reimbursable** only if publishing venue is full open access.

ARTICLES

Deposition in a trusted repository at the latest upon publication

License:
CC BY or equivalent
CC BY-NC/CC BY-ND are allowed for long-text formats

VALIDATION

Information via the repository about any research output / tools / instruments needed to validate the conclusions of the scientific publication

METADATA

Open Access in line with the FAIR principles, providing information about the licensing terms and persistent identifiers

License:
CC 0 or equivalent
