

## **Biography**

Romano De Vivo has more than 10 years' experience with Syngenta and was appointed Head Environmental Policy and Sustainable Productivity EAME in May 2014.

In this role he holds both a global and a regional responsibility for communicating the company's contribution to sustainable agriculture and for managing relationships with a broad range of stakeholders. He joined Syngenta in July 2002.

Prior to that role, he held a number of positions in the life science industry in Italy.

He holds a degree with honours in Business Economics from the University of Salerno, a MBA from the STOA School of Management and is a member of the Chartered Financial Analysts and Auditors Societies.

Romano De Vivo was born in 1969 in Salerno, Italy. He lives in Basel, Switzerland, with his wife and young daughter.
