### **Introduction to R - University of Fribourg** 12-14 January 2014

If you want to attend this course (see attachment), please send an email to Prof. Sven Bacher (in copy).

The doctoral program will reimburse your train expenses (2nd class 1/2 tarif) from University of Neuchâtel to University of Fribourg, if and only if you receive an attestation with ECTS (complete the reimbursement form, add train tickets and send it with the request external ECTS form to be found on the web site).

Best wishes,  
Christiane
