

Digital methods for intimate geographies of social media

Elisabeth Miltz (Université de Bern)
Lundi 12 avril | 16h15-18h

Elisabeth Miltz is a feminist cultural and political geographer. Her research brings together feminist perspectives on affects and emotions, the body and digital technologies with empirical research on nationalisms, sexual politics and social media in the Global East.

Conférence en ligne, organisée dans le cadre du cours *Terrain Urbain* (IGG):
