Project			
Methodological approach			
Funding			
Proposed publications plan			
Feasibility in allocated time			
Expected overall progress			

Yes

No

Based on the above assessment the TAC is satisfied with the progress of the thesis

--	--

If necessary, please add any comments here (e.g., what recommendations did you make to the PhD candidate? Could these recommendations lead to changes that would affect the estimated PhD completion date?)

I have attended this meeting and agree with the evaluation and comments

Committee members	Names	Signatures
