# COMMERCIAL & ANALYTICS INTERN

---

## About O-I:

Remember the last time you opened a bottle of champagne, a cold beer after a hard day's work or a bottle of sparkling mineral water to quench the thirst, well it was probably made by us, [we are O-I](#) and we love that we make more glass containers than anyone in the world.

O-I has more than a century of experience crafting pure, sustainable, brand-building glass packaging for many of the world's best-known food and beverage brands. We are proud to provide high quality glass packaging for beer, wine, spirits, food, non-alcoholic beverages, cosmetics and pharmaceuticals.

With nearly 24,000 employees and an unparalleled footprint spanning almost 69 plants in 19 countries, O-I is a truly global maker of glass packaging.

From engineering and manufacturing to brand development, [design and innovation](#), we are dedicated to providing unique solutions to exceed our customers' expectations and fuel consumers' desire for glass.

## First, let us start with some testimonials of our former interns speaking about their experience:

"I have enjoyed my work experience at O-I and would highly recommend this internship to others." A, 2022

"It's a very open and friendly work environment. Everyone treats you with respect and with no superiority. I felt supported by my Manager and colleagues." M, 2022

"It is an amazing opportunity as you get to learn about a matrix multinational with all its complexities and you get to work in a collaborative and open environment. I was also able to learn new tools that are used in the industry and in my professional area (PowerBI, SQL, etc.)". N, 2022

## How does your day look like in a global environment ?

- You will be responsible for providing the required analysis, presentations and reports based on multiple internal and external data sources. You will support the pricing & analytics team in the roll out of ongoing projects as well as being involved in day to day global operations of the team.
- You will be involved in the annual Commercial Strategy update project.
- You will have direct working contacts with our top management based on-site.

## What we offer at O-I:

- Following your internship, you will never look at a [glass bottle or jar](#) the same way you did before !
- Gain **one year** experience in a multinational leader in the Glass Industry
- Connected work : [Flexible hybrid working environment](#)
- International working & cultural environment

Expected start date would preferably be December 1<sup>st</sup> 2023 or January 1<sup>st</sup> 2024

**About yourself:**

- Currently enrolled in a University degree with focus on strategy and/or finance and/or data science
- Proficiency in English and any other European language is a plus
- Proficient in Microsoft Office
- SQL – Data warehousing, Python, EDA, Basic Knowledge in R-Studio, SAP BW, Tableau, Power BI or Price FX would be a plus
- Data cleaning, data pre-processing, neural networks
- An attitude that matches our core values: safety & wellbeing, agility, passion, inclusion
- Good interpersonal skills which enable you to work in an international, collaborative team environment both in person and virtually
- Analytical, proactive, creative and agile personality

**Next Steps:**

If you are smart, passionate, innovative, culturally open, curious and collaborative, we'd like to hear from you.

O-I is committed to fostering an inclusive environment that attracts and embraces the brightest minds and creates a culture that welcomes a diversity of ideas and perspectives while encouraging growth and rewarding performance.

The recruitment process will comprise up to two interviews. 1<sup>st</sup> round will be held by People & Culture. 2<sup>nd</sup> round will be held by your future Manager and/or the Function Leader with the opportunity to also meet the current intern.
