Cultural Psychology Network

The 13th European Doctoral Network in Socio-cultural Psychology meeting

November 23-24, 2019

University of Belgrade, Faculty of Philosophy

Čika-Ljubina 18-20, Belgrade, Serbia

Room 108

Theme: How can we understand and approach lived experience of people with resources of socio-cultural psychology?

Whereas cultural psychology has demonstrated its analytical power in tackling the questions of personal development in socio-cultural milieu, it seems to neglect the domain of preverbal, prereflective, embodied experience of people... Let`s give it a voice together!
