

gendercampus.ch

Gender Campus offers news and information on Gender Studies, Equality and Diversity at Swiss Universities, Universities of Applied Sciences and Universities of Teacher Education in four languages. Our goal is the visualisation of "gender" in academia and the promotion of networks of its exponents. The platform is open to everyone, especially to students of all disciplines.

Our services include:

- **Gender Campus Digest:** subscribe and customize a news subscription according to your interests
- **Gender Campus Newsletter:** receive regular news from the Gender Campus team
Subscription: gendercampus.ch/en/news/subscribe
- **Swiss-wide course catalogue** with a focus on gender topics:
gendercampus.ch/en/higher-education/studies-and-research/studies/national-course-directory
- **Gender Campus Blog:** researchers and experts discuss contemporary questions
- **Pages "Higher Education":** useful information on studying Gender Studies, the different graduate schools and research promotion
- **"Doing Diversity":** database in the field of Gender Studies and on Equality and Diversity: *gendercampus.ch/en/doing-diversity*
- **"Doing Research":** database on research in the field of Gender Studies and on Equality and Diversity. Online soon!

Would you like to write an article for our Blog or promote your activities as a student in the field of gender studies? Do you have any questions? We are looking forward to reading from you soon! info@gendercampus.ch
