Your duties

- Conduct research in one of the areas above with the aim to earn a PhD in finance.
- Participate at academic conferences and publish your research.
- Contribute to teaching and research activities and to the administration of the Institute.

Your profile

- Master degree in Finance, Economics, Statistics or a related field.
- Strong empirical / quantitative skills.
- Programming skills in a statistical software package (such as R, Stata, SAS or Matlab).
- Excellent command of the English language. French language skills are a plus, but not necessary.

We offer

- Dynamic research environment with focus on empirical work.
- Funded position (70%) with personal workspace and excellent research infrastructure.
- Contract term of four years.

University background

The University of Neuchâtel is a university on a human scale and provides high quality teaching and support for about 4500 students from Switzerland and beyond (nearly 20% of students are from abroad). Bachelor and Master degrees are compatible with most other European universities and are in line with society's expectations in a variety of innovative and cutting-edge fields. Halfway between Geneva and Zürich, in the middle of Europe, the University of Neuchâtel is a perfect place for those who wish to study or to undertake high-level research in a magnificent environment, near lake and mountains.

Application procedure and deadline

Candidates should send their application (subject: PhD Finance) to messagerie.iaf@unine.ch, in a **single pdf file** and in the following order (a) detailed CV (b) copies of diplomas accompanied by grades transcript (c) one letter of recommendation **before 15 October 2022**. Submitting a research proposal for the PhD thesis (4 pages max.) or an excerpt from the master thesis or a representative scientific publication will be strongly appreciated.

Further information can be obtained by contacting Professor Carolina Salva (carolina.salva@unine.ch) or visiting the website of the Institute www.unine.ch/iaf.

We reserve the right not to respond to applications that do not meet the requirements.

The University of Neuchâtel is an Equal Opportunity Employer.
