Your duties

- Conduct research in one of the areas above with the aim to earn a PhD in financial accounting.
- Participate at academic conferences and publish your research.
- Contribute to teaching and research activities and to the administration of the Institute.
- Provide administrative support and project management for the Dean's Office of the Faculty of Economics and Business.

Your profile

- Master degree in business, finance, or economics obtained within the last five years.
- Strong research potential and interest in financial accounting.
- Excellent command of the English language. French language skills are a plus.

We offer

- Dynamic research environment with focus on empirical work.
- Funded position (70%) with personal workspace and excellent research infrastructure.
- Contract term of four years.

University background

The University of Neuchâtel is a university on a human scale, with about 4'500 students. Its small size enables it to provide high-level training and to foster relationships between students and professors. It is one of the most international universities in Switzerland, with about 100 nationalities present and more than a fifth of the student body coming from abroad. Ideally located midway between Geneva and Zürich, in the heart of Europe, it is a perfect place to study or undertake high-level research in an idyllic setting between lake and mountains.

Application procedure and deadline

Candidates should send their application (subject: PhD Financial Accounting) to messagerie.iaf@unine.ch, in a **single pdf file** and in the following order (a) motivation letter (b) detailed CV (c) copies of diplomas with grade transcripts (d) one letter of recommendation (e) research proposal for the PhD thesis (4 pages max.) or an excerpt from the master thesis (4 pages max.) **before 30 April 2023**.

We reserve the right not to respond to applications that do not meet the requirements.

The University of Neuchâtel is an Equal Opportunity Employer.
