

SUSTAINABILITY PROJECT (9 ECTS) Guidelines for the academic year 2024-2025

Overview

- The Sustainability Project is offered during the Spring semester and allows students to validate 9 ECTS.
- It is only available for students who have registered for the Sustainability Option: Master in Finance with Sustainability Major, 120 ECTS.

Supervisors

- Potential supervisors can be found within the professors of the teaching team of the Master of Science in Finance programme.

Step by step

1.	Find a supervisor
	<p>At the beginning of the Spring semester, find a supervisor and discuss your potential project.</p> <p>When you have the supervisor's approval, send to the secretariat (Kira Facchinetti), the following document, completed and signed by yourself and your supervisor:</p> <ul style="list-style-type: none"> • Project application form.
2.	Register in IS-Academia
	<p>Between 17 February and 11 March 2025, register in IS-Academia for the course "Sustainability Project (5AF2051)".</p> <p>This will automatically register you for the June 2025 exam session.</p>
3.	Submit the project
	<p>On the first day of the exam session (2 June 2025) send your project to your supervisor. At the same time send to Kira Facchinetti the following documents:</p> <ul style="list-style-type: none"> • Pledge of honour • Validation and assessment form. <p>The secretariat will forward the Validation and assessment form to the supervisor.</p> <p>The supervisor evaluates the project.</p> <p>The grade is validated during the exam session.</p>
