

miniRUEDI Symposium

April 4-5, 2019 @ Eawag
(Dübendorf, Switzerland)

2-day symposium with presentations and discussions on the application of (dissolved) gas measurements in environmental sciences using a portable mass spectrometer.

For questions, or to sign up for the symposium and/or submit an abstract to present your work, please contact Andrea Popp (andrea.popp@eawag.ch) or Matthias Brennwald (matthias.brennwald@eawag.ch).

Registration deadline: January 15th, 2019
