The University of Neuchâtel is advertising

One 3-year postdoctoral position in philosophy (70%)

Institution: Institute of Philosophy, University of Neuchâtel
Location: Neuchâtel, Switzerland
Duration: 3 years
Starting date: 01.09.2019
Application Deadline: 15.07.2019

Job description

The Institute of Philosophy of the University of Neuchâtel invites applications for a 3-year postdoctoral position (70%) as part of the SNF-research project:

The Nature and Value of Efforts
(https://www.academia.edu/37015529/The_Nature_and_Value_of_Efforts_SNF_Project_2018-2022)

AOS: philosophy of action, value theory, metaphysics.

The successful candidate is expected to publish in top-tier philosophy journals on issues related to the project, to organize project seminars and conferences; to take on the administration of the project; to participate regularly to research events at the Institute of philosophy. He or she may be given the opportunity to teach.

Knowledge and experience needed for the job

The candidates must have obtained their PhD in philosophy before taking up the position. Knowledge of French is not required.

Salary scale: 62'082 CHF to 65'421 CHF per annum.

Application procedure

Candidates are requested to submit the following application materials in a single pdf-file to olivier.massin@unine.ch: (i) cover letter; (ii) short research proposal (max. one page); (iii) detailed CV with list of publications; (iv) 2 publications and the PhD dissertation; (v) names of two experts able to assess the competence of the candidate.

The deadline for application is July 15th 2019.
