ATTESTATION

The Direction of the Master of Science in General Management (MScGEM), Faculty of Economics and Business of the University of Neuchâtel, certifies that students, as part of our programme, are required to complete an internship in a company or organization (minimum 3 months full-time position – maximum 12 months part- or full-time position) to acquire 18 ECTS credits for the internship thesis. This internship is mandatory for writing the internship report and validating the related credits.

We confirm that the internship is an integral part of the MScGEM curriculum. Furthermore, the student remains enrolled at the University of Neuchâtel until the completion of the entire program.

The maximum duration allowed for completing the master's degree is six semesters from the initial enrollment date.

Should you require any additional information about this program, please do not hesitate to contact us.

With kind regards,

Director of the programme MScGeM
Prof. Paul Cotofrei
