## QUI EST MOSSADEGH?

## L'héritage de Mossadegh

Mohammad Mossadegh meurt le 5 mars 1967, après avoir passé quatorze ans en résidence surveillée, dans son village d'Ahmadabad.

Mossadegh a inspiré les mouvements anticolonialistes dans le Tiers Monde. Aujourd'hui encore, il demeure un symbole de la démocratie et de l'indépendance nationale

## Body of Mohammed Mossadegh Taken to His Village for Burial

The same of the control of the contr

«Yes, my sin — my greater sin... and even my greatest sin — is that I nationalized Iran's oil industry and discarded the system of political and economic exploitation by the world's greatest empire. (...) I'm well aware that my fate must serve as an example in the future throughout the Middle East in breaking the chains of slavery and servitude to colonial interests.»
